

CUA2009: Welcome Reception

2009-9-25

The CUA2009 Welcome Reception was held at Chengdu Shunxing Old Tea House on September 19, organized by West China Hospital, Chengdu Urological Association and sponsored by Daiichi-Sankyo. More than 200 representatives including Secretary General of the EAU, President of the AUA, President of the KUA, CUA Council Members, members of the CUA Young Urologists Council and invited guests attended the reception.

Prof. Shi Yingkang, President of West China Hospital said in his speech that the CUA2009 Annual Meeting had dramatic improvements in not only the size but also academic level, compared the urological meeting held in Chengdu 25 years ago. China's urology would have prosperous development with efforts from generations of Chinese urologists. Prof. Sun Zeyu on behalf of the CUA thanked colleagues from Sichuan Provincial Urological Association and

urologists from Sichuan for their contributions to the CUA2009. He said he was sure that the CUA2009 would promote the development of urology both in Sichuan and China. He invited all the representatives to take part in the 17th CUA Annual Meeting next year.

Prof. Sun Yinghao chaired the EAU and AUA donation to the earthquake-hit hospitals. According to Prof. Sun, executives of the EAU and the AUA sent emails to express their concerns soon after the May 12 Earthquake in Sichuan and hoped to do their bit for the earthquake-hit hospitals. Selecting Chengdu as host city of CUA2009, the CUA hoped to offer more opportunities of scientific communication to Sichuan's urologists and gave supports to the reconstructions in Sichuan. Prof. Abrahamsson, EAU Secretary General donated minimally invasive surgery device to Mianzhu People's Hospital on behalf of the EAU. He wished the equipment would provide better medical service to Sichuan people. Prof. Bueschen, AUA President donated hundreds of 2009 CUA Guidelines through the CSU. Mianzhu Hospital sent two pieces of Sichuan Shu Embroidery for gratitude.

Prof. Sun Yinghao also introduced Prof. Paick, KUA President and the KUA executives. He said with the CUA's increasing efforts on internationalization, all the KUA executives attended the CUA2009 Annual Meeting. Having given big supports to CUA on many occasions, the KUA is CUA's important partner. Prof. Sun sent a piece of Sichuan Shu embroidery to Prof. Paick on behalf of the CUA, which symbolized friendship between the CUA and KUA.

Mr. Fang Yong, Secretary General of Sichuan Provincial Urological Association welcomed all the guests from home and abroad and thanked their supports and help to Sichuan.

Prof. Li Hong, Executive Chairman of CUA2009, gave a report on the development of urology in Sichuan and welcomed all the representatives.

The art performances, including Sichuan Opera Dancing, Chinese marital art Kung Fu, face changing and spit fire of Sichuan Opera, won applauses and cheers from the audience.
