

# AUA 2022 New Orleans

MAY 13-16

## THE EMERGING CORNER WE INVITE YOU TO PARTICIPATE

**WHO EXHIBITS?** As part of our mission to connect urology professionals to industry leaders, the AUA strives to provide our members with solutions to their day-to-day challenges. One of the ways we do that is by providing opportunities to expose our members to the newest companies in urology. Take advantage of the turnkey exhibit space at the AUA2022 Science & Technology Hall for start-up companies with emerging products and services. The Emerging Corner exhibitors will participate at our largest annual event with other start-up companies. Exhibitors must meet the following criteria to apply:

- Never exhibited at the AUA's annual meeting
- Company has been in business less than 3 years
- Has not been acquired or merged with a current or previous AUA exhibitor

**Cost: \$9,500**

### Exhibitor Benefits:

Each Emerging Corner exhibitor package includes:

- Turnkey Kiosk, with company logo (as pictured above)
- Material handling for small packages only (under 50 lbs. not to exceed 200 lbs.)
- One (1) basic electrical outlet
- Exclusive preconference attendee list (contact name and physical address only)
- CompuLEAD® App A la Carte with 2 Activations
- Two (2) complimentary full conference registration
- Recognition on AUA.net.org/annualmeeting website (logo and link to participants website)

- Recognition in the on-site Exhibitor Directory, Schedule-at-a-Glance and AUA2022 Mobile App (subject to publication deadline)
- Recognition on on-site conference signage (subject to publication deadline)
- Two (2) priority points per year
- Recognition in digital Scientific Program (subject to publication deadline)
- Recognition in Pocket Map (subject to publication deadline)

**Note:** Substitutions are not allowed, overage in material handling and any additional items required are at participant's expense; and will be invoiced directly by the supplier. For more information, contact Deidre Jefferson at [exhibits@AUAnet.org](mailto:exhibits@AUAnet.org) or 410-689-4024
