New Online Course for Researchers Seeking NIH Funding

The AUA's "[Writing A Successful Career Development Award Application](#)" course is written by NIH-funded urology researchers and will help prepare early-career investigators to write competitive grant applications. While this course focuses on preparing an NIH Career Development Award application, the tips from established researchers with strong funding records are applicable to most career development-type award mechanisms.

Competition for Summer Medical Student Fellowships Now Open!

Medical students with an interest in urologic research are invited to apply for the [2019 Summer Medical Student Fellowship](#) competition! Sponsored by the [Urology Care Foundation](#), awardees receive a \$4,000 stipend to support them during a ten-week mentored research experience. **Application deadline: January 10, 2019.**

[Apply Now](#)

Specialized Centers of Research Excellence (SCORE) on Sex Differences (U54 Clinical Trial Optional)

The [Office of Research on Women's Health](#) and participating institutes seek applications for Specialized Centers of Research Excellence (SCORE) on Sex Differences. The Centers of Excellence will support interdisciplinary approaches to advance translational research on sex differences. Each SCORE institution should develop a research agenda bridging basic and clinical research underlying a health issue that is pertinent to improving the health of women. **Application deadline: January 10, 2018.**
