#### Request for Comments: NICHD Strategic Plan Update

The AUA is seeking input from the urologic community to advance research interests for our pediatric patients through the NICHD. The [National Institute for Child Health and Development \(NICHD\)](#) of the National Institutes of Health has launched a collaborative process to revise and update its strategic plan. This is a unique opportunity for the urologic community to advocate for prioritization of relevant research domains such as developmental biology, pelvic organ health, pediatrics, and population health as they pertain to the genitourinary tract. **Please see the research priorities linked below and submit any comments by November 30, 2018.**

## Funding Opportunities

[View More RFAs >](#)

### Diokno-Lapides Essay Contest in Neurourology & Voiding Dysfunction

This contest is open to all urologists, residents, fellows, and PhD scientists and trainees conducting innovative research in the areas of neurourology and voiding dysfunction. The work must be unpublished and conform to the publication requirements for the Journal of Urology. **Submission deadline: December 1, 2018.**

[Apply Now](#)

### Using PLCO Biospecimens Resource to Bridge Gaps in Cancer Research

This funding opportunity announcement calls for applications that propose to advance research in cancer etiology and early detection biomarkers, utilizing the advantages of the unique biorepository resources of the NCI-sponsored [Prostate, Lung, Colorectal, and Ovarian Cancer \(PLCO\) Screening Trial](#). **Application deadline: February 11, 2019.**

[Apply Now](#)

### The NCI Predoctoral to Postdoctoral Fellow Transition Award

The purpose of this award is to encourage and retain outstanding graduate students recognized by their institutions for their high potential and strong interest in pursuing careers as independent cancer researchers. The award will facilitate the transition of talented graduate students into successful cancer research postdoctoral appointments. **Application deadline: February 22, 2019.**
