

2008 AUA FOUNDATION/SBUR
SUMMER RESEARCH CONFERENCE

Sexual Medicine

August 7-9, 2008
Baltimore, MD

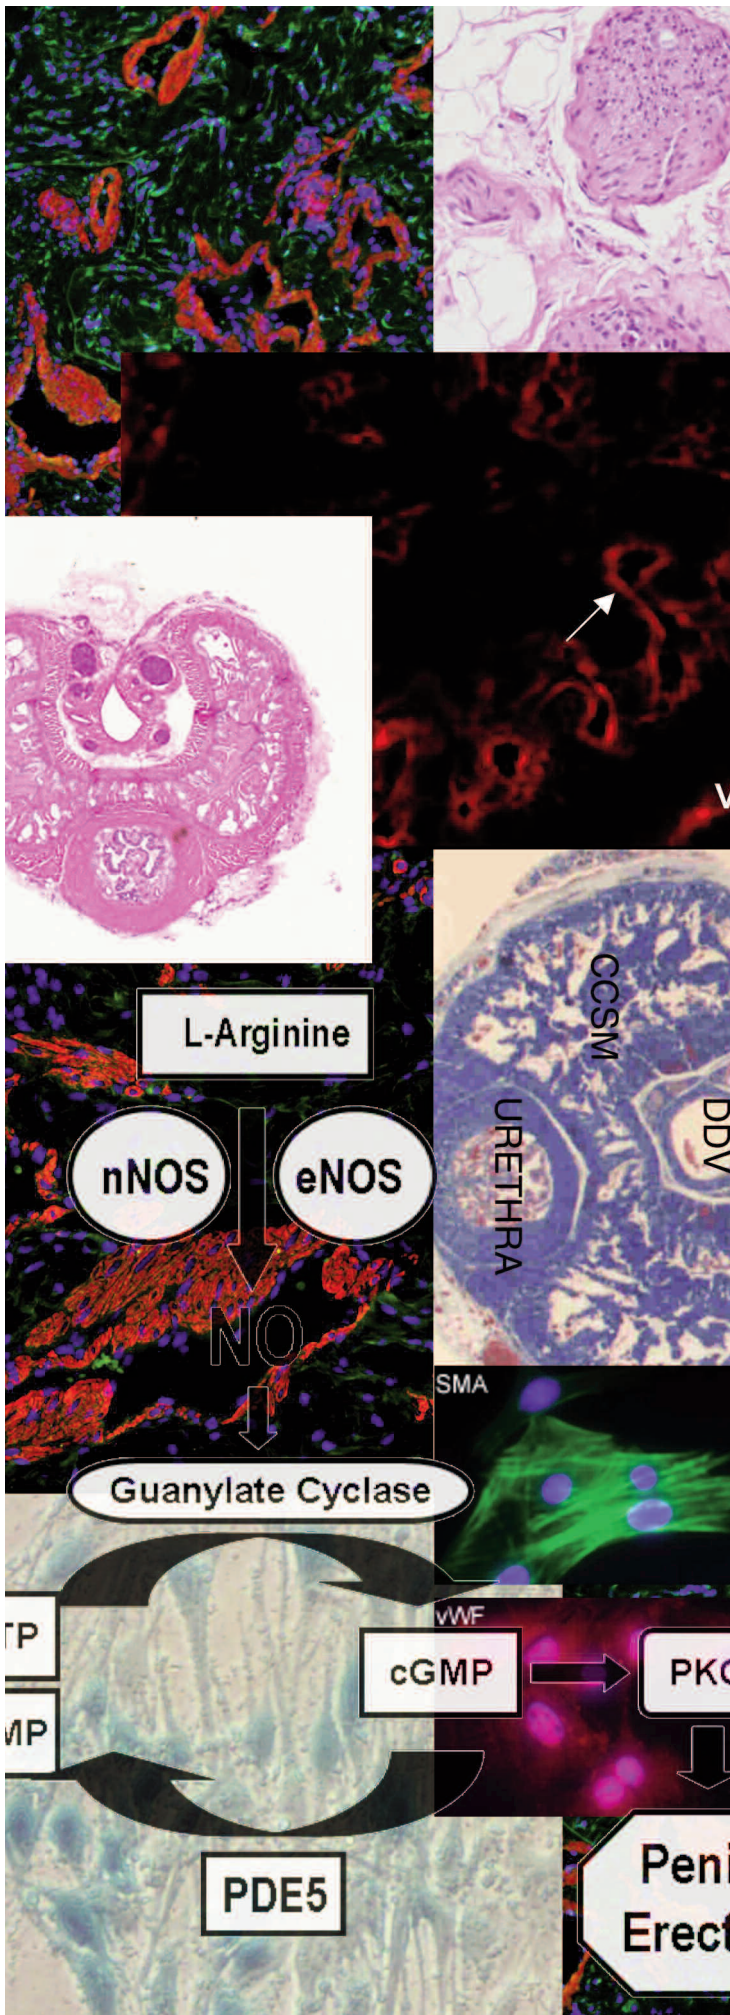

COURSE DIRECTOR:

Arthur L. Burnett, M.D., EA.C.S.

This conference is designed to provide mentoring experience, education and encouragement for young investigators in the field or interested in the field of sexual medicine-related urologic research. Faculty members and other senior investigator attendees are committed to making this forum a fertile venue for exchanging ideas and information among colleagues and peers, and providing enrichment opportunities for young investigators to interact with leaders in the field.
