

ECIW SAMPLE AGENDA

DAY ONE

Welcome, Introductions, Program Overview	Carolyn Best, PhD <i>Director of Research, American Urological Association</i>	
Setting the Stage: An Overview of the State of Urology Research and Funding	Carolyn Best, PhD <i>American Urological Association</i>	
NIDDK Grant Mechanisms	Tracy Rankin, PhD, MPH <i>National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK), NIH</i>	
NCI Career Development Grant Mechanisms	Susan Lim, PhD <i>National Cancer Institute, NIH</i>	
NIA Urologic Research Portfolio	Candace Kerr, PhD <i>National Institute on Aging (NIA), NIH</i>	
NICHD Fertility and Urology Research Portfolio	Susan Taymans, PhD <i>National Institute of Child Health and Human Development (NICHD), NIH</i>	
DoD Congressionally Directed Medical Research Programs: Funding Opportunities and Application Review	Theresa Miller, PhD <i>DoD Congressionally Directed Medical Research Programs</i>	
American Cancer Society Research Programs	Ellie Daniels, MD, MPH <i>American Cancer Society</i>	
Urology Care Foundation, and Other Grant Mechanisms	Krystal Brinson, PhD <i>American Urological Association/Urology Care Foundation</i>	
Identifying & Composing the Pieces of a Successful Research Grant Proposal	Erika Wolff, PhD <i>University of Washington</i>	
Q&A with Funding Agency Speakers	Carolyn Best, PhD <i>American Urological Association</i>	
Krystal Brinson, PhD <i>American Urological Association/ Urology Care Foundation</i>	Ellie Daniels, MD, MPH <i>American Cancer Society</i>	Candace L. Kerr, PhD <i>National Institute on Aging (NIA), NIH</i>
Susan Lim, PhD <i>National Cancer Institute, NIH</i>	Theresa Miller, PhD <i>DoD Congressionally Directed Medical Research Programs (CDMRP)</i>	David Saslowsky, PhD <i>National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK), NIH</i>
Susan Taymans, PhD <i>National Institute of Child Health and Human Development (NICHD), NIH</i>	Erika Wolff, PhD <i>University of Washington</i>	
Goal Setting and Introductions of Faculty and Participants	Carolyn Best, PhD <i>American Urological Association</i>	
Specific Aims Workshop	Erika Wolff, PhD <i>University of Washington</i>	
Q&A		
Break		

Common Grant Writing Pitfalls

Dolores J. Lamb, PhD, HCLD (ABB)
Weill Cornell Medical College

Q&A

**Establishing Effective Career Development Goals
and Translation to Your Training Plan**

Stephen Zderic, MD
Children's Hospital of Philadelphia

Q&A

Selling Yourself Through Your NIH Biosketch

Rosalyn Adam, PhD
Boston Children's Hospital

Q&A

Break

Building a Team of Mentors

John Leppert, MD, MS
Stanford University

Q&A

How to Start a Lab as a Junior Faculty

Trinity Bivalacqua, MD, PhD
Johns Hopkins University

Q&A

**Moving the Field Forward Through Health Services
Research**

John Hollingsworth, MD
University of Michigan

Q&A

Discussion, Wrap Up, and Day 2 Sneak Peek

Adjourn for the Day

DAY TWO

Day 2 Goal Setting and Introduction to Peer Review	Carolyn Best, PhD <i>American Urological Association</i>
Mock Peer Review Study Section	Faculty Panel - <i>Chairperson:</i> Dolores J. Lamb, PhD, HCLD (ABB)
1) <u>Funded K08 Application (PI redacted):</u> "A Patient-Centered Approach to Integration of Life Expectancy into Treatment Decision-Making for Patients with Genitourinary Malignancy"	<i>Primary Reviewer:</i> John Gore, MD, MS <i>Secondary Reviewer:</i> John Leppert, MD, MS
2) <u>NOT Funded K01 Application (PI redacted):</u> "Mechanisms of Fatty Acid Metabolism in Prostate Differentiation and Disease"	<i>Primary:</i> Trinity Bivalacqua, MD, PhD <i>Secondary:</i> David Jarrard, MD
3) <u>Funded R01 Application (PI redacted):</u> "Improving Diagnosis of Congenital Genitourinary Anomalies"	<i>Primary:</i> Stephen Zderic, MD <i>Secondary:</i> Todd Purves, MD, PhD
Q&A and Discussion – Briefing for Breakout Sessions and Plan for Tomorrow	
Break	
<u>ADVANCED</u> Grant Development Group: Individual Meetings with Faculty Mentors:	<i>Breakout Groups</i>
Break	
<u>EARLY</u> Grant Development Group: Small Group Meetings with Faculty Mentors	<i>Breakout Groups</i>
Adjourn for the Day	

ADVANCED GROUP PARTICIPANTS:

- ✓ Personal work time: Make edits to grants based on feedback from faculty mentors
- ✓ Finish your slides for your presentations tomorrow. (Presentation must not exceed 5 minutes)

DAY THREE

Day 3 Goal Setting	Carolyn Best, PhD
Transitioning from Career Development to Career Sustaining Grants	Aria Olumi, MD
Q&A	
Using Entrepreneurship for Your Research Career Success	Steven Kaplan, MD
Q&A	
Faculty Round Table Discussion: Virtual Breakout for Faculty Feedback and Q&A	<i>Faculty assigned to different breakout rooms, participants can self-select</i>
Advanced Grant Development Group: Presentations of Research Proposals <i>(5 minutes per presentation)</i>	Carolyn Best, PhD
Faculty Feedback, Final Q&A, Closing Remarks	Carolyn Best, PhD and All Faculty
Adjourn Workshop
