I certify that the statements and information included in my proposal and on this Proposal Agreement Form are true and complete to the best of my knowledge. I understand and accept that the outcome of the Physician Scientist Residency Training Award (PSRTA) competition is binding and, should I be selected as a PSRTA Trainee, I commit to completing the eight-year residency training program at one of the approved PSRTA Program Sites. I further agree to follow the guidelines described in the 2022 Physician Scientist Residency Training Award – Trainee Program Announcement and will fulfill all responsibilities therein, including the following:

1. Completing all required activities during the eight-year residency training program.
2. Maintaining not less than 80% protected time for research during Research Years 1–3.
3. Attending all required Urology Care Foundation and AUA Office of Research activities unless an exception has been granted by the AUA Office of Research.
4. Ensuring the completion of all interim and final PSRTA Principal Investigator, mentor, institution, and awardee reporting requirements.
5. Acknowledging the Urology Care Foundation and Dornier MedTech in any publications or presentations arising from work supported by the Physician Scientist Residency Training Award.
6. Having an active AUA membership during the award period.
7. Reporting any changes to the proposed research project via ProposalCentral, including any mailing or email address changes, receipt of additional funding, change in project status, change in mentor(s) and/or personnel involved in the project, or any other significant change to the proposal before or during the award period.
